

Zen Guru: Empowering Special Needs children

Zen Guru provides psychological services tailored to the unique challenges faced by students with special needs, empowering them to thrive in their learning environments and beyond.

Vital Psychological Services

Individualized Therapy

Therapeutic interventions for ADHD, Autism Spectrum Disorder (ASD), Learning Disabilities (LD), and other developmental disorders.

Group Therapy

Facilitating group therapy sessions to enhance social interaction, cooperation, and communication skills.

Academic Support and Interventions

Academic Support

Assessment and personalized learning plans that identify specific academic strengths and weaknesses.

Behavioral Support

Behavioral assessments to identify the causes of challenging behaviors and develop personalized intervention plans.

Sensory Integration and Mindfulness

Sensory Integration

Sensory integration therapies to help students with sensory processing disorders develop coping skills and engage with their environment effectively.

Mindfulness Practices

Mindfulness sessions to help students manage anxiety, reduce stress, and enhance focus.

Specialized Support for Specific Conditions

1 ADHD

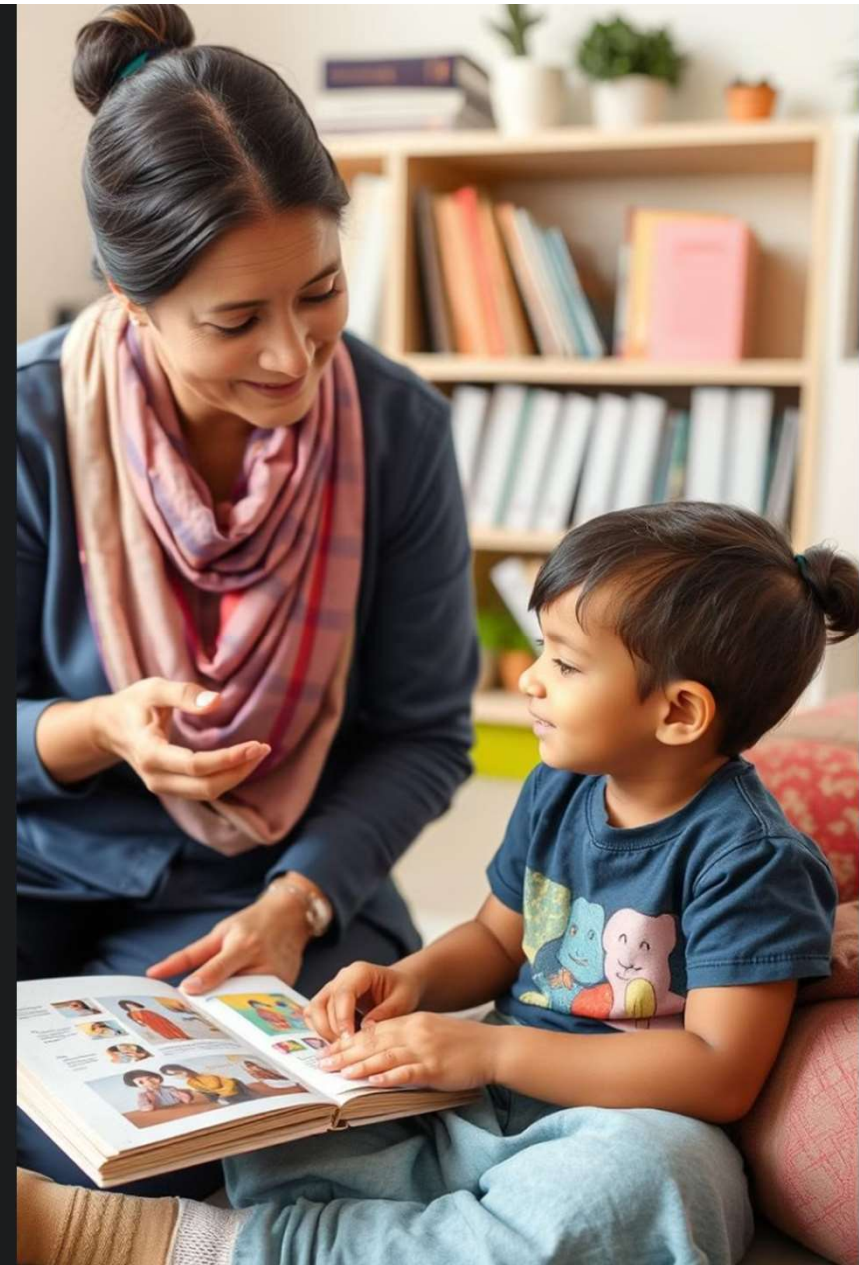

Behavioral interventions for managing attention difficulties, impulsivity, and hyperactivity.

2 Learning Disabilities

Structured learning strategies for students with LD, helping them maximize their academic performance.

3 Autism Spectrum Disorder

Social skills training and peer interaction support for children with ASD to improve communication and social relationships.

Business Model for Collaboration

Subscription-Based Model

Schools can subscribe to Zen Guru's services on an annual or semi-annual basis, providing access to ongoing counseling, workshops, and assessments for students, teachers, and parents.

Pay-Per-Service Model

Special schools can opt for a pay-per-service model, paying for specific services as needed.

Customized Programs and Projects

Targeted Intervention

A targeted behavioral intervention program for students with ADHD or autism.

Workshop Series

A workshop series focused on emotional regulation for students with emotional difficulties.

On-Site Therapy

On-site therapy for students experiencing emotional crises or requiring intensive therapeutic support.

Government or NGO Partnerships

Government Funding

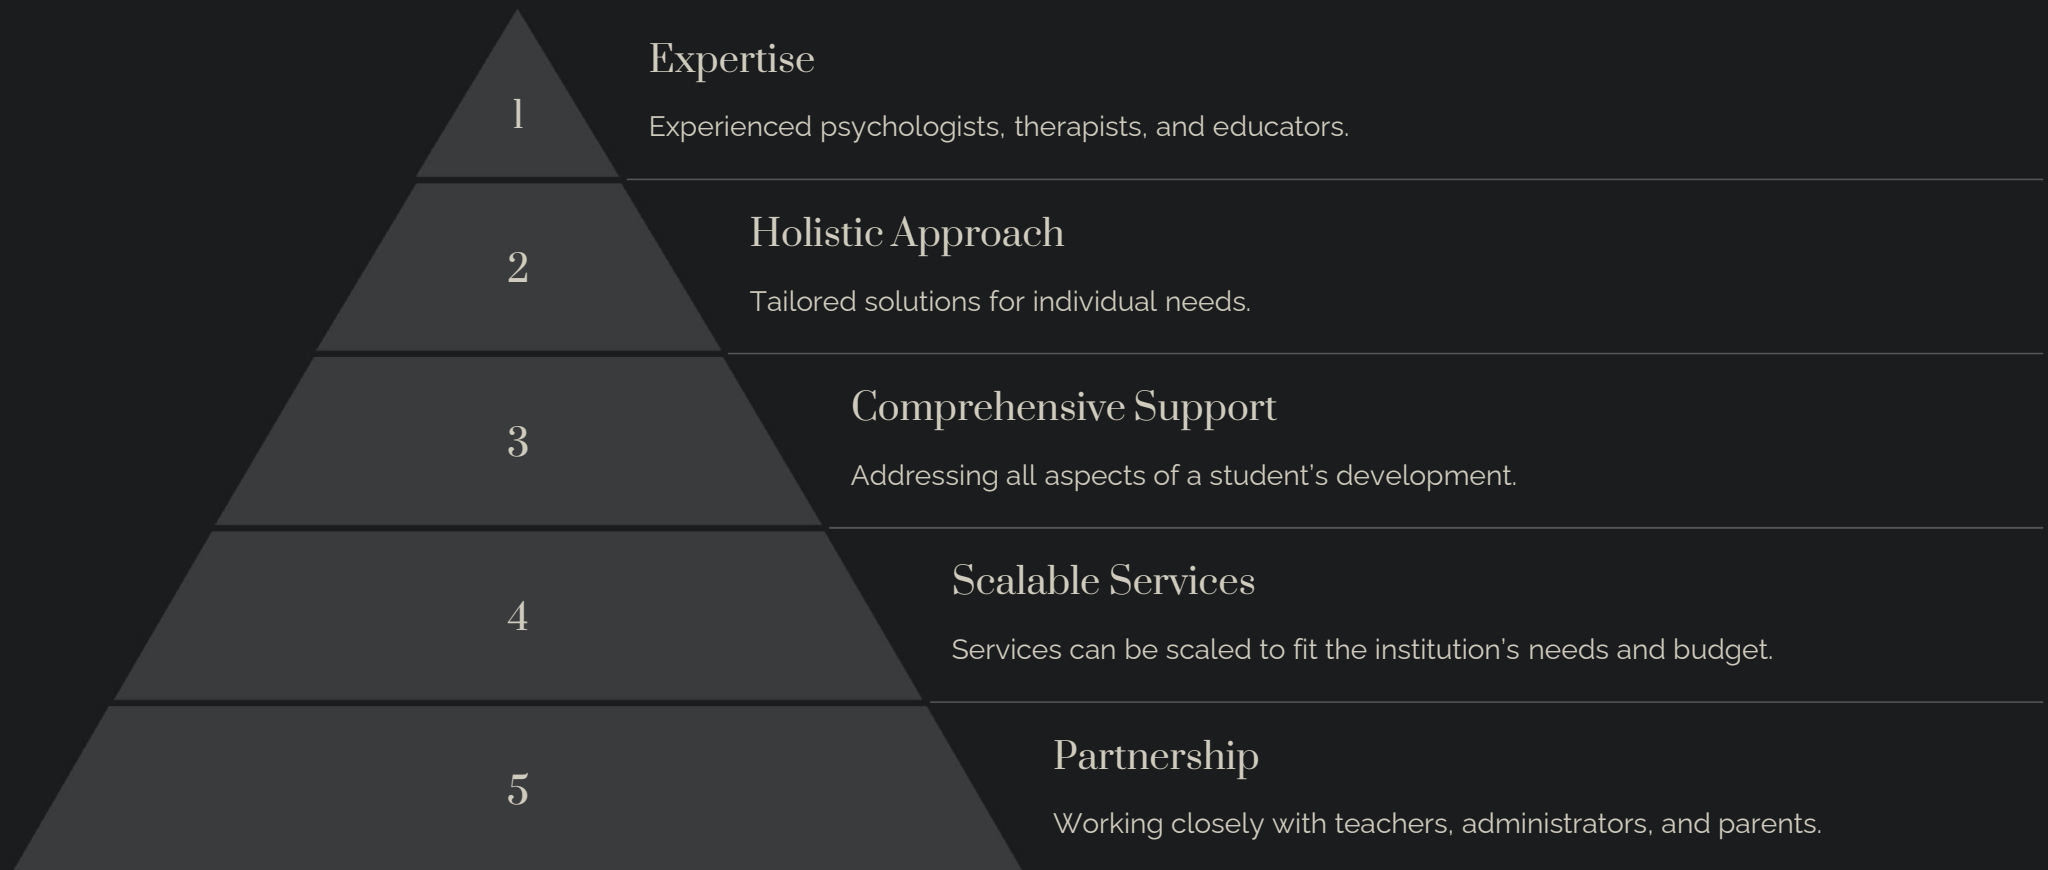

Zen Guru can partner with educational authorities to provide state-funded mental health support for students with special needs.

NGO Collaboration

Zen Guru collaborates with non-governmental organizations (NGOs) to provide psychological services to special schools at subsidized rates or through funding programs.

Why Choose Zen Guru?

Next Steps

Contact Zen Guru to discuss your school's unique needs and explore how we can partner to create a more supportive and inclusive learning environment for all students.
